

# Delivery Driver

## Local Route

Your past driving jobs may have been preparing you for a career with the Nation's #1 food services provider! If you are looking for a company that rewards your hard work, becoming a Sysco Delivery Driver may be your opportunity.

### Responsibilities include...

- Depart from and return to Sysco in Jackson, Wisconsin 5 days/week to be scheduled Monday-Saturday.
- Safely drive a 28'-48' tractor-trailer for the purpose of delivering various types of product (frozen, chilled and dry) to Sysco customers according to route schedule and specific timelines.
- Unload and transport product into the customer's facility, either by hand or utilizing a two-wheeler or hand truck.
- Maintain positive customer relations.
- May collect money from customers if instructed, write credits, or pick up backhaul or returned products when required.

### We offer an exciting career with a Fortune 100 Company...

- Excellent benefits package including stock, pension, 401(k), healthcare, life/disability insurance, more!
- Opportunity to write your own paycheck under our productivity-based pay program.
- An outstanding training program in both job skills and product knowledge.
- An enjoyable work environment with supportive management committed to helping you succeed.
- Upward mobility through Sysco's strong promote-from-within culture.

### We require...

- Class "A" CDL with a good driving record:
  - No DUI/DWI/OWI within the last 5 yrs (or multiples in the last 10 years).
  - Limited moving violations + no multiple D.O.T. recordables in the last 3 years.
- Certified to operate in interstate commerce.
- Experience delivering and unloading cases.
- Desire and ability to work in a physically demanding job:
  - Continuously lift product weighing 40-60 pounds, occasionally up to 100 pounds.
  - Use handcart to push and/or pull product up and down ramps and/or steps (load weight up to 300 pounds) throughout the day.
- Flexibility to work a variety of routes and schedules.
- Strong customer service skills.

### We prefer...

- Experience in the food service / restaurant industry.

### Hiring process includes...

Must complete the Sysco Eastern Wisconsin, LLC employment application, employment interviews, background check, post-offer D.O.T. drug screen and physical, and a physical capabilities assessment.

### How to Apply:

Submit a **completed application** via our careers page at [www.syscoeast.com](http://www.syscoeast.com) or apply in person at One Sysco Drive, Jackson, WI 53037.
